

My name is JOHN JAY Wilkos, 58 years old, former Athlete in High School & College, SMALL BUSINESS OWNER w/ 164 EMPLOYEES with Family History OF Athletes. My Hip WAS Severely Affected - NOT ABLE TO WALK, CHRONIC PAIN, QUALITY OF LIFE Severely Affected

Made decision to Check OUT Options - Visited 3 Surgeons met w/ Dr. Augustine.

Dr. Augustine Fit the Bill; young, <sup>well</sup> Educated, Knowledge OF Latest SURGICAL procedures.

But most importantly, he EXAMINED ME, took <sup>10</sup> pictures & explained the plan (procedural) to great detail. Great STAFF & <sup>Backside</sup> <sup>MANNER</sup> Everything came off with NO SURPRISES. I Followed up with physical therapy - HAD 2nd Surgery in 4 months & result WAS terrific. Other doctors were ~~frustrated~~ - He IS AN <sup>ARTIST</sup> I HAVE A Second chance at life & am MAKING the most OF IT. Riding A Bicycle, Backpacking A, White Water Canoeing.

I MADE A promise to PAY IT BACK - Help Others BECAUSE OF My Good Fortune.

Visit with Dr. Augustine & His STAFF. Their entire STAFF GAVE ME A Second chance at life.

See WHAT he CAN do for you.

In My opinion, you will NOT BE Disappointed
